with Brian D. Ridgway

*Master Coach, Mentor, Best-Selling Author,
known as "The Spellbreaker"*

*"I'm not a healer, a teacher, or a guru. I'm just a
'reminder', here to remind you of what you already
– and always – know."*

Brian has helped thousands worldwide to break free and shift out of their limited forms of thinking, experience their infinite intelligence, and reconnect with their highest, most authentic selves, often within minutes.

This workshop is much more than "a talk". This will be an experience - and lives will be changed. During Brian's events, he invites attendees to step forward for 1 on 1 interaction with him that he calls a "Spellbreak". During these Spellbreaks, epiphanies, awakenings, aha's and breakthroughs are the norm - and miracles (including physical/health miracles) are common. See: briandridgway.com/overwhelming-proof
